Circular

Subject: Swachhata Ka Upahaar launched by MoHUA.

A meeting on the above cited subject held in the chamber of MOH, NDMC on 26/10/2022. It has been discussed therein that Education Department may organize different activities as per the directions of MoHUA.

2. Following were the suggestive directives from MoHUA:-

1) **Tongue twister challenge:** Participants can be challenged to repeat quickly 'Hara Geela Sookha Neela' as many times as possible. A social media post of this may be asked to be posted on their social media with #Hara Geela Sookha Neela and tag their friends.

2) **Special activities – Schools**

- Bins Out of Waste: Students may collect waste from home and make a bin out of it at school; eg: cardboard box, bucket, basket, newspaper, etc
- Toycathon: Students can make toys out of dry waste items.

3) **School to Home Connect:**

- Students can create green and blue labels with messages on waste segregation. Finished labels can be pasted on their wet and dry waste bins
- Students can create a label with the message 'My house segregates waste' and paste it outside their home - to also remind and motivate their visiting friends and family to segregate
- Tongue twister challenge: 'Hara Geela Sookha Neela'

4) **Details can be found in the following link**
